Dear Ms. Lozano:

On behalf of Verizon Wireless Terracon is writing to invite your comment on the effect of the above-referenced project on historic resources within the project Area of Potential Effects (APE) that are eligible for the National Register of Historic Places. We are requesting your review pursuant to Section 106 of the National Historic Preservation Act, the Advisory Council on Historic Preservation's regulation for compliance with Section 106, and the Nationwide Programmatic Agreement on the Collocation of Wireless Antennas (adopted March 16, 2001), and the Nationwide Programmatic Agreement effective March 7, 2005.

Field assessment for both historic properties and archaeological sites will be conducted and a determination will be made of the project's direct and indirect effects on eligible properties. Consulting parties are invited to provide information concerning historic or archaeological properties already listed in the National Register or that could be eligible for listing in the National Register.

If you would like to comment on this undertaking, please respond to this letter within 30 days of its receipt. Thank you for your response on this matter. If you have any questions concerning this letter, please do not hesitate to call me at (402) 330-2202. If you wish to respond by email, I may be reached at matthew.harbeck@terracon.com

Sincerely,
Terracon Consultants, Inc.
