

Tucson-Pima County Joint Code Committee Emergency Housing

RESOLUTION 24067

Micro Cabins

CITY OF
TUCSON

PLANNING & DEVELOPMENT SERVICES

Micro Cabin:

A single story detached sleeping space located within a *homing campus*.

- Maximum 200 square feet
- Minimum 70 square feet
- Thermally controlled
- Minimum 10 feet fire separation distance

Supporting Structures

- Micro cabins do not contain plumbing or appliances
- Restrooms, showers, and clothes washing provided in supporting structures
- The combination of micro cabins and supporting structures establish a homing hub
- Lot numbers similar to a mobile home park

Intent

- Respond and prepare for escalating needs related to both the chronically and temporarily unhoused
- Establish a baseline of safety for the occupants and surrounding infrastructure
