# Approval – Protest Form

If you wish to submit a written protest or approval, this form is provided for your convenience. Please print your comments below, sign your name, and mail to the Rezoning Section of the Planning and Development Services Department at the address on the reverse side (you will need to attach postage). The number of approvals and protests along with protest calculations will be reported at the Zoning Examiner's public hearing.

**Approvals and protests must have an owner's signature to be recorded.**

If there are protests from 20% of the property owners within 150' of the whole perimeter of the property being rezoned, including BOTH 20% of the property by area and 20% of the number of lots with 150', then an affirmative vote of ¾ of the Mayor and Council (5 of 7 council members) will be required to approve the rezoning ordinance or Mayor and Council Special Exception. Public rights-of-way and the area/lot of the proposed rezoning are included in the protest calculations.
